2. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

The oath does not include the continuation data referring to the parent application.

3. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a liquid lever assembly including a diaphragm seal having a center planar portion disposed to abut the switching means, a peripherally extending web portion, a flexible bellows portion connecting the planar portion and the peripheral web portion, and a plurality of knob members extending from the peripheral web portion disposed to press against the switching means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Friedhofer whose telephone number is 571-272-1992. The examiner can normally be reached on Mon-Fri 6:00 - 2:30.

Art Unit: 2832

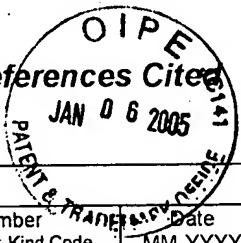

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on 571-272-1990. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
